

MANZANITA SCHOOL

A LIVING EDUCATION AT BIG ROCK

5th Grade Supply List: 2023-24

The supply quantities listed below are for the entire school year. Please note that buying more than what is requested will result in waste - better to purchase less than more.

Notes on the specificity of items requested:

- Paper, pencils, post-its, tissues, wipes, and glue are shared within the class community. All other supplies are for individual use and should be labeled with your student's name.
- Since the colored pencils will be taken out on the land during Canyon Time, a simple 8-12 color palette is all that is necessary.
- The requested dictionary is a more advanced copy students may use through middle school. This specific copy is requested for instructional purposes.
- The linked field sketch book will be used on Canyon Days. Students may still have their Hawk Day Journal from last year. If so, please have them bring that SAME JOURNAL they used from last year. Larger sketch pads are cumbersome and spiral bound books of any kind do not travel well.

Please reach out to Ms. B directly if you have any questions: bridget@manzanitaschool.org or via text message at 323.828.2706

REQUESTED SUPPLIES FOR 5TH GRADE

Earthquake Emergency Packs

Each child MUST bring a completed emergency pack on the first day of school. The Manzanita's Earthquake/Disaster Plan requires each student to have individual packs of food and medication. These packs are designed to provide both psychological and physical nourishment. Please follow the directions below in preparing your child's pack: **FILL A ONE-GALLON ZIPLOC BAG WITH THE FOLLOWING ITEMS:**

- 1 5"x7" file card with your child's name and the date written in large letters with a permanent marking pen. Place this card facing out so it can be easily read to identify the bag.
- 5 small containers of protein your child will eat. This could include tuna, canned chicken, beef jerky, or anything else your child likes which has been commercially vacuum-packed and preserved. Please avoid packing any peanut products. No loose snacks, which could spoil, melt, or attract pests, should be included in a child's earthquake kit.
- 2 canned juices
- 5 fruit rolls or unopened dried fruit
- 1 package of your child's favorite crackers, biscuits, or cookies
- a space blanket (can be purchased from any sporting good store)
- a mini-flashlight with extra batteries
- If your child frequently requires special medications (i.e. inhalers, nighttime medications, epi pens) please include a 3-day supply with directions for administration.
- If your child wears prescription glasses, and you have an old pair, please include
- them in the bag.
- a pre-addressed postcard to an out-of-state contact. Make sure the postage is up-to- date!
- a family photograph
